

Native American High Developed Cultures (450 Entries)

Source: NMAI Smithsonian Magazine, Fall 2004 and "Contributions of Native Americans" by Keoke and Porterfield

Agricultural Techniques:

- Raised Bed, Terraces,
- Complex Irrigation Systems
- Double Cropping
- Fertilizers
- Botanical Gardens
- Transplanting
- Crop Storage

Architecture:

- Adobe
- Apartment Complexes
- Cement, Concrete
- Home Insulation
- Ventilation Systems

Art:

- Abstract Art and Murals
- Mosaic
- Pottery
- Weaving

Astronomy:

- Almanacs
- Astronomical Observatories

Carpentry:

- Balsa Wood and Canoes

Civil Engineer:

- Aqueducts
- Bridges
- Urban Planning

Clothing/Footwear:

- Snow Creepers
- Moccasins and Sandals
- Ponchos
- Snow Shows
- Raincoat

Cultivated Crops:

- Agave
- Amaranth
- Avocados
- Different Beans
- Cacao and Chocolat
- Calabash
- Chile Peppers
- Corn
- Quality Cotton

- Artichokes
- Manioc
- Papaya
- Passion fruit
- Peanuts
- Green Peppers
- Pineapples
- Potatoes
- Pumpkins
- Quinoa
- Sunflowers
- Sweet Potatoes
- Tomatoes

Environmental Sciences:

- Ecology
- Forest Management
- Fibers/Dyes/Weaving:
- Agave
- Basket Weaving
- Cochineal
- Brazilwood
- Weaving Techniques

Fishing/Aquaculture:

- Fishhooks
- Fish Traps
- Aquaculture Science

Miscellaneous:

- Chewing Gum
- Ruber
- Hammocks
- Thanksgiving
- Complex Mathematics
- Medical Knowledge
- Natural Medicine
- Military Sciences
- Musical Instruments
- Political/Social Sciences
- Complex Statistics
- Psychology
- Road Systems
- Asphalt
- Petroleum
- Waterproofing
- Canals Transportation
